FALL

FALL '75

This year the Dayton Bulldogs grid team played an inconsistent brand of football as they concluded the season with a 2-6-1 record. Head coach Dave Oliver says, "Although we were disappointed with our record, we have to believe that we played better than my first year team did. We were pitted against four play-off teams which probably made our schedule one of the toughest around."

Dayton's finest game of the season was its 14-12 victory over the tough Caldwell Chiefs. This game brought much excitement with it also. It exemplified the fine hard-nose running of senior quarterback Joe Graziano, the superb blocking of the entire offensive line led by Bob Potomski and Bob McGurty and the excellent catches made by senior end Joe Mirto.

This year's defense was led by co-captain Jack Flood and lineman Jim Rice. Credit is due to Frank Bladis, Vinnie Mirabella, Joe Graziano, Mike Flood and Randy Wissel, the linebackers for the team.

Next year's season looks promising due to the many fine returning lettermen. It is the hope of the team to continue bringing respect to the football program at Dayton.

With only six returning lettermen from last year, the varsity soccer team suffered somewhat due to lack of experience. At times they displayed great skill, determination, and aggressiveness, yet coach Krupp feels that they were not able to sustain this over the entire season.

The outstanding individual effort was the four goal output in one game by one of the captains, Gary Schiech. This had not been done by a Dayton player since at least 1963. Also, Gary was the scoring leader for the conference as well as the only unanimous selection on the first team All-Conference. Harry Irwin, another varsity captain, and Sid Kaufman, goalie, received recognition of their talents by being selected for second team All-Conference. Hee Young Lee, Steve Hechtle, and Steve Matyssek all received honorable mention.

With twelve returning varsity lettermen, a J.V. team that compiled an 8-6-1 mark, and a freshmen team that compiled the best mark in the Conference, Dayton soccer seems to be on its way upward.

Special thanks to coaches Jack Wasowski and Steve Cohen for their dedicated efforts.

The cross country team ended one of the most successful and exciting seasons ever. They finished with a 13 and 3 season and second place in the Suburban Conference. The three meets were lost by a total of four points. Senior captain Bill Bjorstad was named to the 1975 All-Suburban Conference 1st Team. He also placed fourth in the County Meet and second in the State Sectional group meet. The biggest surprise of the year was Bobby Philips, who did an outstanding job, says Coach T. The letter winners this year include Bjorstad, senior Bill Leber, Charles Kiel, Bobby Philips, Danny Smith, Brad Weiner, and Gary Sherman. Coach T says that the future is bright for the team as only two seniors are leaving.

GIRLS' TENNIS

The Girls' Varsity Tennis Team, guided by Coach Edward Jasinski, had the difficult task of defending the Suburban Conference Co-Championship Title. The girls completed their third season with a record of eight wins and nine losses. Competition was exceptionally challenging particularly since much of the team graduated last year, and many of the new members, who had never before participated in varsity play, were forced to face returning letterwomen from opposing teams who were more experienced. The team should steadily improve since Irwin Field, for the first time, is providing Dayton with a home court on which to play.

Senior co-captains Laurie Weeks and Cathy Picut played first and second singles, with Sandy Crane filling in at the third slot.

First doubles consisted of seniors Susan Ostrich and Debbie Freund. Pairings for second doubles were shared by senior Laurie Powell, junior Anne Angleton, sophomores Jessica Einstein and Randi Kessler, and freshmen Pam Bieszczak, Laurie Gabay, Barbara Martino, and Susan Wallick.

One highlight of the season was when Debbie Freund and Susan Ostrich beat an undefeated Caldwell doubles team. Laurie Weeks had a tough time competing in the first singles position because her opponents were top players. Therefore, Cathy Picut led the team in overall performance with a record of eleven wins and five losses.

GIRLS' GYMNASTICS

The Dayton Gymnastic Team competed against eleven teams this season raising last year's total of two wins to an improved record of six wins and six losses. Coach Nancy Dougherty is pleased with the record and the overall improvement in strength and flexibility of the team. By the end of the season almost every member had achieved her full potential, which helped to raise the score considerably. The team's original goal was to reach a score of 70 points. They unfortunately missed this goal by 6/10 of a point, but all was not lost for they increased their previous score by 30 points.

Dayton's most gratifying meet was against Union Catholic. Even though the score of 68.65 was not the highest achieved, the individual performances were at their peak.

The Dayton Gymnasts finished their season triumphantly at their last meet against Governor Livingston. The team was victorious with a score of 69.4, their highest score of the season.

Five of Dayton's gymnasts qualified for the Northern State Sectionals. Sophomores, Barbara Calamusa and Moira Halpin qualified in two events. Barbara competed on the balance beam and the uneven parallel bars, and Moira competed on the balance beam and in floor exercises. Sophomore Denise Francis and freshman Carol Wingard went to the States to compete in vaulting, and another freshman gymnast, Jill Lipton, went to the States for competition on the uneven parallel bars.

The Gymnastic Team will lose only two members in June, Jennifer Pitney and Melissa Purkiser. The strength of the team is carried mainly by the freshmen and sophomores, so the outlook for next year appears to be excellent. Coach Dougherty is looking forward to a winning season in 1976!

"You Can't Take it With You"
by Moss Hart and George S. Kaufman

November 7 and 8

YOU CAN'T TAKE IT WITH YOU is a comedy involving an eccentric family named the Sycamores. The play takes place in the home of Martin Vanderhof (the grandfather) in New York, 1930's. Each member of the family has his own strange hobby: Penny — writing plays, Essie — ballet dancer, Paul — making firecrackers, etc. Alice, Penny and Paul's daughter, seems to be the only normal member of the family, for she is a secretary for Kirby and Company. Conflict arises when Alice falls in love with Anthony Kirby Jr. The two families just don't seem to mix until the very end of the play when Grandpa, Tony, and Mr. Kirby have a heart to heart talk about life. Alice and Tony plan their wedding and everyone lives happily ever after.

The actors and actresses did a fine job and were rewarded by the responses of both the Friday and Saturday night audiences. Laughs and applause were common for this play and made the hard work worthwhile.

FACULTY

To The Class of '76

As "Bicentennial Year" graduates it seems appropriate to remind you that part of the cause of the American revolution was "taxation without representation." Two hundred years later "taxation without representation" exists in the United States because of the apathy of many citizens who are content to be taxed without participating in the democratic processes granted under our constitution. It is indeed sad that our forefathers gave their lives for a right which many people today do not utilize.

Since your high school bears the name of a signer of the "Declaration of Independence," it is hoped that you have been inculcated with a desire to become involved in governmental operations. Vote, express your views, seek elected office, and actively participate in all the democratic processes of our republic. Only in this manner will our country become even greater during its next two hundred years.

My best wishes and friendship go with you as you strive to improve America through your involvement.

WINTER

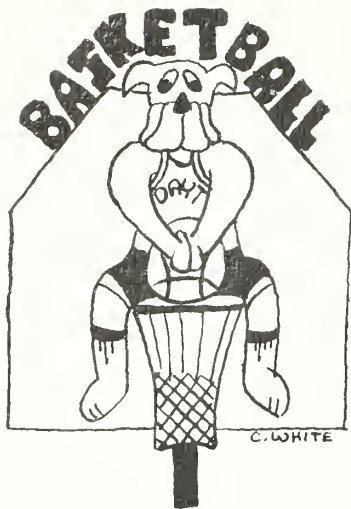

During the past year, the Varsity Cheerleaders have kept themselves very busy with many activities. Besides leading the cheers and promoting general school spirit, the cheerleaders also sponsored a highly successful "Mr. Regional dance" in November.

Long but enjoyable hours were spent decorating the football team's locker room early each Saturday morning, baking cakes for Friday night meetings and the "midnight rides," and traveling to each football player's home to decorate his own room before the Thanksgiving Day game.

The cheerleaders led three pep rallies throughout the football season, including a special nighttime rally for the parents. The cheering crowd along with the cheerleaders truly helped to raise the players' spirits.

VARSITY **BASKETBALL**

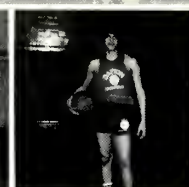

The Basketball Team opened the season with strong play during December and finished second in the Dayton Invitational Tournament. The team's overall play was consistent as they were in all but three games, and finished with 9 wins and 14 losses.

Ted Johnson was the leading scorer and playmaker; Tom Wisniewski provided board strength; Jack Grassle was outstanding on defense. Steve Pepe and Kevin Doty were good all around performers.

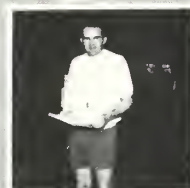

The Junior Varsity finished with a 14-6 record and will provide additional talent like Kenny Baskin and Kenny Fingerhut for next year's campaign.

The Jonathan Dayton Regional Wrestling Team ended the '75-'76 season with a dual meet record of 3 wins 12 losses, improving from last year's 2 and 12 season.

As a team we finished sixth in the Union County Tournament tying with Union.

The individual stand out performance came from senior captain Bill Francis who finished his career with 72 wins, 11 losses, and 2 ties. The past two seasons Bill was undefeated in dual meets and has a combined record of 46 wins and 3 losses with 35 falls. Bill was a two time District XIV Champion, two time Gov. Livingston Holiday Tournament Champion, 1976 Union County Champion, and was selected to the All Suburban Conference team — 1975 and 1976.

Alan Layton also finished with an 11 and 8 mark and a runner-up in District XIV this year.

GIRLS' VARSITY BASKETBALL TEAM

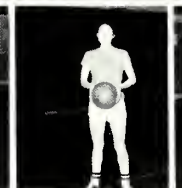

This year's team was a very young and inexperienced squad. The starting line up comprised senior Captain Maria Johnson (last year's 1st string all conference center), junior co-captain Susan Tacovsky (last year's 2nd string all conference forward), junior Ilene Arnold, freshman Mary King, and freshman Cricket Franklin. The team had a fine shot at the conference championship until illness sidelined all but seven players going into the Millburn game. At that time the team had one conference loss to the conference champions, Verona. The final conference record was 10-4 for 3rd place.

INDOOR TRACK

What started out as a rebuilding year for the indoor track team ended as a most successful season. The Shot Put Relay team placed third in the county championship and fourth in the state group championship.

Bill Bjorstad placed fourth in the mile, posting a time of 4:28 and Bob Potomski placed third in the shot put.

The Hurdle Relay team of Frank Ruggieri, Brian Belliveau, Mark Walls, and Jay Fine placed 5th in the county championship.

Coach Taglienti was pleased with the team's performance, and also notes that Cindy White, Alisa Hockstein, Robin Scappichio, and the other girls that participated, helped the team greatly.

The Varsity Bowling team showed fine form this season, finishing second in the Suburban Conference. The Varsity lettermen this season were: Donn Fishbein, Bob Groder, Rich Miller, Bill Leber, Martin Gruenberg, and Rick Cohn. The team's final record was 27 wins and 15 losses. The J.V. lettermen included: Rich Hersh, Bob Zeoli, Jim Riffel, Mike Young, and Jeff Finkle.

Despite a visible lack of talent, Dayton held a higher average and showed more consistency than they have had for several years. They led the conference for over half of the season but suffered a bitter blow when they dropped three games to Caldwell.

Captain Donn Fishbein felt that the bowlers showed true team work and performed above expectation. Donn Fishbein had the team high game with a score of 237, and Bob Groder had the team high series with a 617.

John Swedish coached Dayton's bowling team in their final year of existence. It is hoped that the bowling team will return in the near future.

KISMET concerns a poet-beggar and his daughter who gain wealth through a miraculous turn of events. During the course of this day, the poet dupes the evil Wazir of Police and makes the Wazir believe the Poet has magical powers. VARSITY BASEBALL

This year's team has few returning lettermen, making it difficult to forecast the outcome of the coming season. The pitching staff will be led by Joe Graziano, who was the mainstay of last year's pitchers. There are three upcoming J.V. pitchers: Greg Lies, Bryant Burke, and Mike Petro.

The two returning lettermen in the infield are: catcher — Joe Mirto, and second baseman — Bobby Rawlins. The following players will be competing for various infield positions: Sid Kaufman, John Kronert, Andy Nash, Peter Episcopo, and Rick Weber. The outfielders will be led by returning lettermen Ed McCaine and Jeff Pittenger. The following players are expected to see considerable action in the outfield: Stuart Ruff and Henry Daas.

The main strength of this year's team will be its defensive ability to field, and if the team hits well, the season could be successful.

GOLF

The Golf Team has five lettermen returning from last year. Competition in the Suburban Conference is difficult because every school has excellent golf teams. Dayton should be in the thick of the Conference battle.

VARSITY TENNIS

This is a rebuilding year for Dayton's Varsity Tennis team, as four seniors graduated, and the number one singles player moved.

The coach of the Tennis team is Rick Iacono, and the leading candidates for the varsity team are Seniors Donn Fishbein and Joel Allen, and Junior Dan Schlesinger, all of whom will play the singles positions. Doubles will be played by Alan Layton, Rich Simon, Kelly Evans, and Peter Hess.

The Dayton Tennis team will be playing against excellent teams at Millburn, Summit, Caldwell, and Verona. Dayton's talented players should help to make this year's season a memorable one.

Because of the high interest shown at the end of last year, girls' volleyball was initiated as a new sport at Jonathan Dayton this year. Girls representing all grade levels displayed their athletic abilities while competing for selection to the varsity and junior varsity teams.

The girls are concentrating on developing power volleyball techniques as opposed to recreational volleyball. Since the girls have been playing recreational volleyball during most of their school careers, the adjustment has not been an easy one to make.

Enthusiasm and anticipation prevail among the members of Dayton's newest team — GIRLS' VOLLEYBALL.

OUTDOOR TRACK

The Jonathan Dayton Outdoor Track team is looking forward to a most successful 1976 season. This is a rebuilding year, according to Coach Taglienti. This year's squad is minus three 1975 individual state champions and the majority of the athletes from the 1975 Indoor State Championship team.

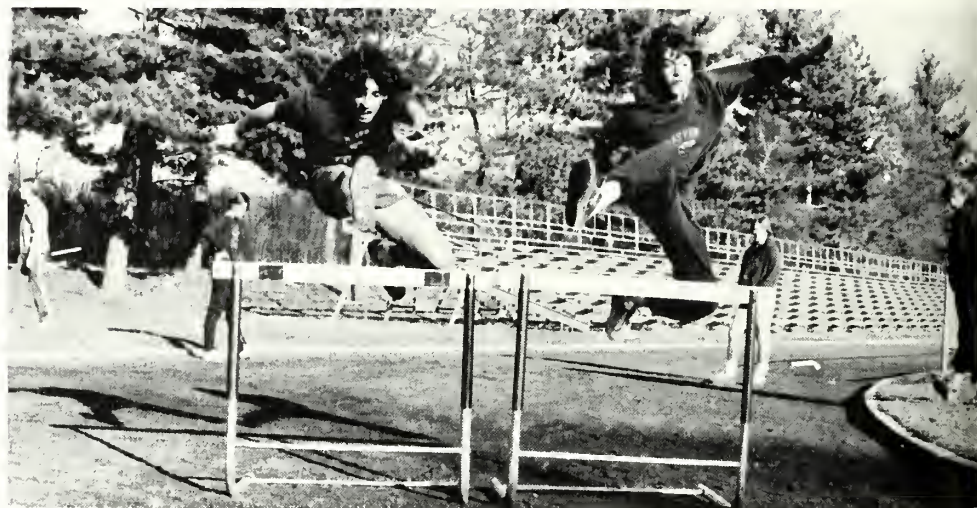

The outdoor campaign will feature 12 dual meets, 6 relay meets, the Union County Championships, and the post-season competition beginning with the State Sectional Meet. The team will also be attempting to retain its 1975 Suburban Conference Championship on May 8.

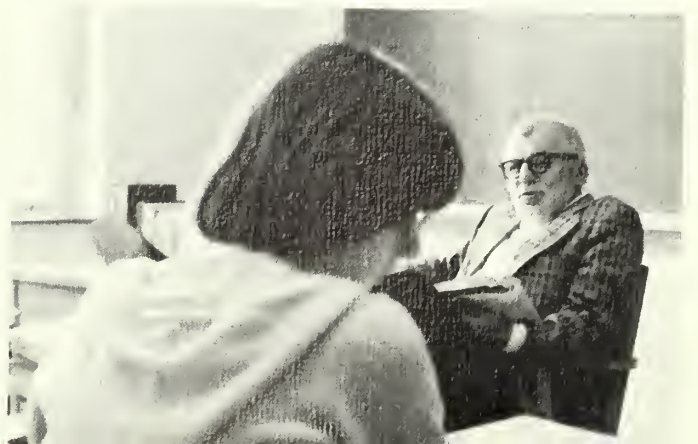

This year, the squad is composed of seven seniors and mostly juniors, as well as freshmen, sophomores, and of course, girls. The weightmen this year will be led by senior captain Bob Potomski, and juniors Brandon Gambee, Andy Herkalo, and Bobby Conte. Also competing in the various weight events (shot put, discus, and javelin) will be Steve Matysek, John Guiliano, Larry Grant, Ronald Werner, Joe Ragucci, Kenny Baskin, and Steve Merkelbach. The other field events will feature Vic Vitale and Carmen Apicella in the pole vault, and Brian Belliveau, Steve Pepe, and Kevin Doty in the high jump. The contingent of distance runners will be led by senior captain Billy Bjorstad who has been the key factor in the success of the distance runners in Outdoor Track in the spring as well as the Cross-Country team in the fall. Other runners include Jimmy Stadler, Chris Clunie, Charles Kiell, Gary Sherman, Brian Mercer, Tom Malzbender, Bob Roche, Greg DeAngelis, Brad Weiner, Greg Rusbarsky, and Billy Solosy. Throughout the season, these runners will shuffle between the half-mile, mile and two mile runs according to the needs of the individual meets. The sprinters this season are led by Hugh Cole, Brandon Gambee, and Harvey Kaish and the hurdlers will feature Steve Pepe, Frank Ruggieri, Jay Fine, and Brian Belliveau. John Geiser, Mike Carroll, and Van Vitale are the returning veterans in the 440 yard dash.

Coaches Taglienti, Jones, Kozub, and Piccolo feel that the success of this year's team will depend upon the spirit and attitude of all the athletes.

The unanimous Declaration

Michelle Gurtzman

When, in the Course of human Events, it becomes necessary for one People to assume among the Powers of the Earth, the separate and equal Station with respect to the Opinions of Mankind requires that they should declare the Causes, and justify the Measures, to which they are about to advance.

John Friedman

We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness. That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its Foundation on such Principles, and organizing its Powers in such Manner, as shall seem to them most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient Causes; and according to all Experience hath shewn, that Mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the Forms to which they are accustomed. But when a long Train of Abuses and Misuses has gathered upon the Administration of the Government, it is their Right, it is their Duty, to throw off such Government, and to institute new Government, laying its Foundation on such Principles, and organizing its Powers in such Manner, as shall seem to them most likely to effect their Safety and Happiness.
